PREFACE

Dear next generation,
I hope you get to witness a beautiful world with your eyes and hearts. This book will show you what our world was like and what could be yours.

To Mom, Dad and Debo,
Thank you for always believing in me and for your endless prayers. I did it.

Diane Elizabeth Nuhamara, October 2026, Glasgow

28 God blessed them and said to them, “Be fruitful and increase in number; fill the earth and subdue it. Rule over the fish in the sea and the birds in the sky and over every living creature that moves on the ground.”

-Genesis 1:28

PUBLISHER'S FOREWORD

Efforts to document an individual's thoughts in the form of a book represent a serious endeavor that needs to be fostered, as human thoughts cannot be passed down automatically. One of the most effective means to pass on knowledge with a broad reach is through books.

Based on this consideration, the publisher Widya Sari Salatiga strives to collect ideas worthy of being documented in book form.

Widya Sari Salatiga Publisher (ISBN Member of the National Library) accepts intellectual contributions from readers to be processed into books.

May this humble effort contribute to the development of science, technology, and art for human welfare.
